Who we are

Delivering Premium Welding Products at the Best Prices

At Ashraf Group of Companies, we supply high-quality welding machines, consumables, and industrial tools sourced from trusted global brands. Our commitment is simple: provide reliable products, competitive pricing, and unmatched customer service to support welders, workshops, and industries across Pakistan.

With years of experience and partnerships with top international manufacturers, we ensure every product meets strict performance and durability standards.

5

Review Customer

Professionals and businesses trust our products for consistent quality and long-lasting performance.

A+

Business Class

Recognized for dependable service, fast delivery, and top-notch industrial welding supplies.

#1

Top Company

Trusted by Welders Nationwide

Real feedback from professionals who rely on our welding products every day.

Their Gemini electrodes have completely changed the way our team works. The arc stability is impressive, and we've seen a noticeable reduction in rework. Delivery was quick and well-packed.

Imran Khalid
Workshop Supervisor

We've been using Nihonweld consumables for months now, and the consistency is unmatched. Weld beads come out clean, and the performance on stainless jobs is excellent. Highly recommended.

Raza Mehmood
Fabrication Engineer

Purchased Bug-O joining equipment from here and the experience was smooth. Genuine product, proper warranty, and their team guided us throughout installation.

Sohail Ahmad
Industrial Contractor

Original Product

100% Original product that covered warranty by the vendor.

Global Shipping

Your orders are shipped seamlessly between countries.

100% Secure

Your payments are secure with our private security network.

Ashraf Group of Companies has been serving the welding and industrial sector for more than five decades. With its roots in Pakistan and a strong presence in the UAE, the company has built a solid reputation for supplying reliable welding materials, safety products, and industrial solutions to distributors, wholesalers, and manufacturing industries.
